

Accessibility Statement

The **Cosmic Space** is committed to making our website and venue accessible to all guests, including those with disabilities.

Our Commitment

We strive to ensure that everyone can easily access the information and services offered on our website. We follow accessibility best practices and aim to comply with **Web Content Accessibility Guidelines (WCAG 2.1 Level AA)** standards.

Website Features

- Text alternatives for images and non-text content
- Clear headings and consistent navigation
- Readable contrast between text and background
- Keyboard-friendly navigation for users without a mouse

Physical Accessibility

Our event venue is designed with accessibility in mind, including:

- Ground-level entry and accessible restrooms
- Open floor plan for easy mobility
- Available on-site assistance for guests with special needs

Ongoing Efforts

We regularly review and improve our website and physical space to meet accessibility standards. If you encounter any accessibility barriers or need accommodations, please reach out so we can assist promptly.
